Dear Families and Friends,

We have enjoyed welcoming back our staff and students to school this week. During the school holidays we were thrilled to have part of our main building painted and refreshed for our students returning. We will share some photos to our school Facebook page <https://www.facebook.com/Mtpleasps>

As highlighted by the Victorian Premier and the Chief Health Officer, school closures are only Metropolitan Melbourne and Mitchell Shire. We are thinking of everyone in those areas who are currently tackling their second run of lock down and remote learning.

We re-iterate that if your child is showing symptoms of any type of respiratory illness that they must stay home. Please understand that any child showing symptoms at school will be immediately sent home and we appreciate your understanding and co-operation during this extremely challenging time for all of us. If you receive a phone call to pick up your child from our Office staff due to illness prompt pick up is appreciated. If a parent/caregiver does not answer we will then phone the child/s emergency contact.

It is important that all contact details are up to date.

We will continue our enhanced cleaning protocols and alternate gate entrances/exits will continue this term until further notice.

## 2021 Foundation Enrolments

We are now taking enrolments for 2021 Foundation students. If you have a sibling or a friend who is planning on coming to our school please ensure you/they contact the school on 5332 3646 to arrange pick up of an enrolment pack.

Warm regards,

## Lunch Orders Term 3

### Lunch orders will resume again this term

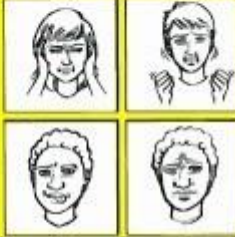

Our school canteen service – provided by Free Range Catering – will resume this term and operates every Wednesday. A price list is attached to this week's newsletter.

Parents are reminded that their child's name and order must be clearly written on the order then sticky taped to a brown paper bag. The correct amount of money should be included with a separate order required for each child. Children should ensure that their orders are placed in the appropriate container in their classroom at the commencement of the school day.

## ZONES OF REGULATION

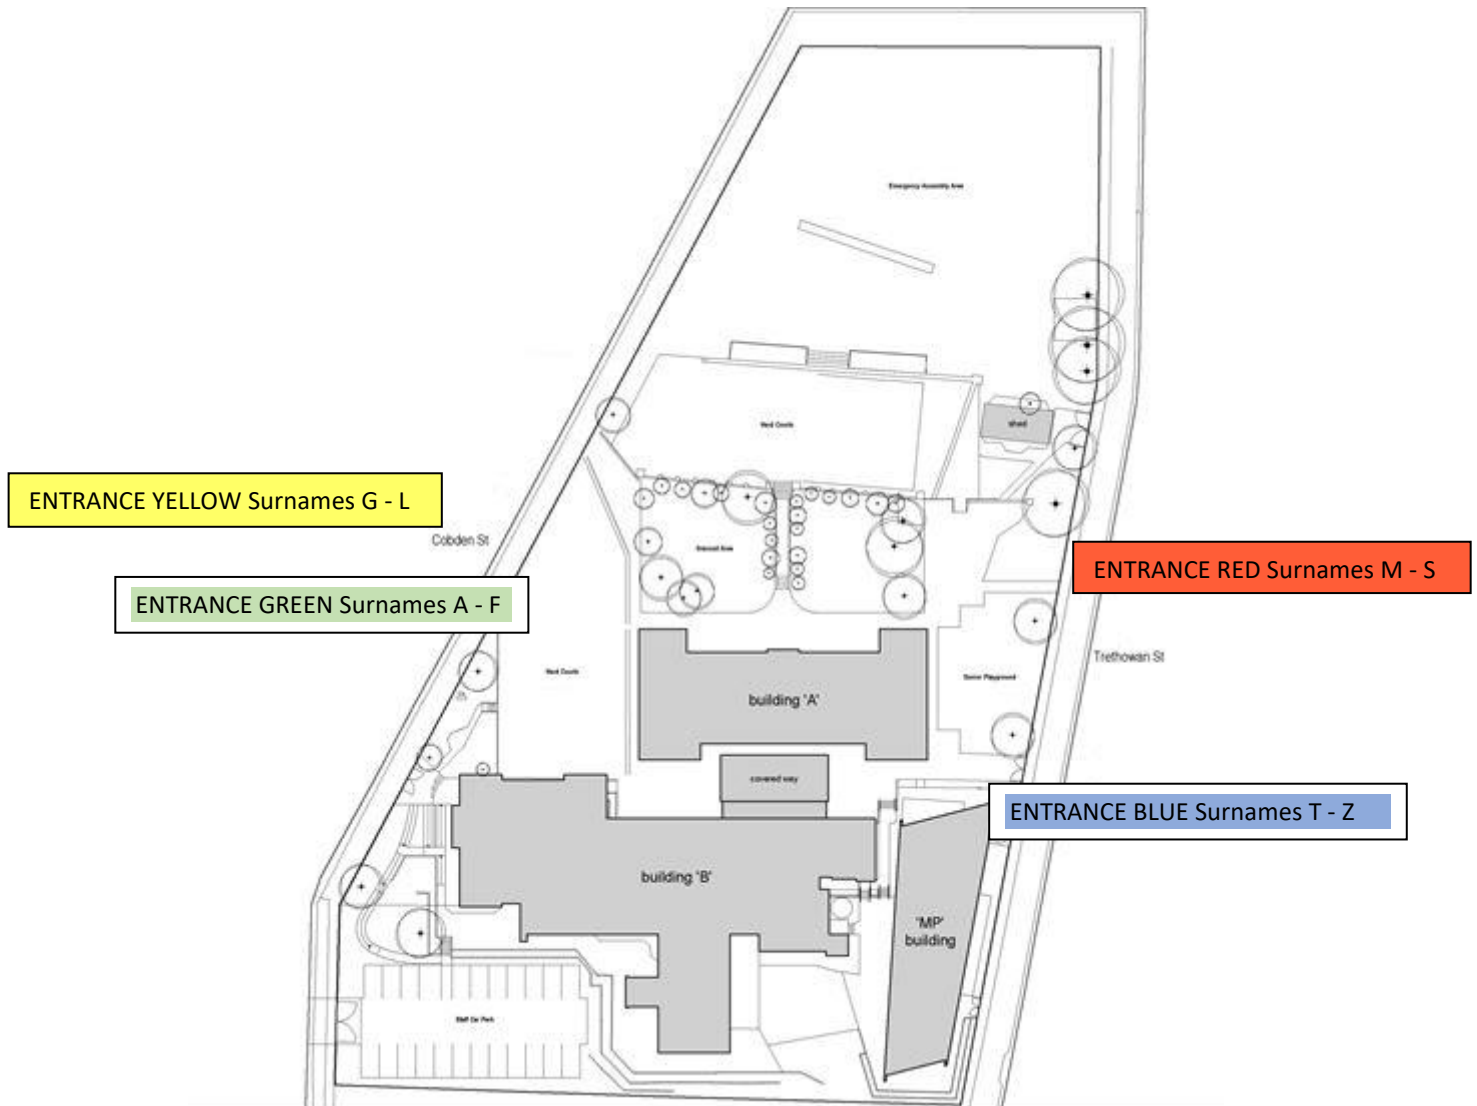

The Zones of Regulation are in all areas of our school. The Zones of Regulation is a program that assists children in communicating their feelings and thoughts through self-regulation techniques. Posters hang in classrooms with a range of strategies that students can refer to throughout the day to help with keeping calm and being 'Ready to Learn.' We continue to be excited incorporating this into our classrooms and know that it will have a positive effect on all of our students.
