Labour Day Public holiday	Monday 8th March
Good Friday Public holiday	Friday 2nd April
Foundation Rest Day	Wednesdays of February

LUNCH ORDERS

EVERY WEDNESDAY

FESTIVAL OF HOME READING

This week we begin our Home Reading Program. We encourage all of our families to get involved and start a regular home reading routine.

To begin the celebrations we have local storyteller Read by Renee coming in to read to every grade on Friday.

Teachers will send home a link to a Padlet that you can share your home reading nooks and your favourite books!

Learning to read, enjoying reading and establishing regular reading habits are all extremely important parts of learning for children who are starting school.

To support the development of these skills and habits, we encourage children to take books home and enjoy reading regularly.

Reading at home helps children to develop a love of reading in a supportive environment, as well as building word solving skills, fluency and comprehension. It also provides an important learning link between home and school.

Anna Johnson – F/1 Teacher

This is my second year at Mount Pleasant Primary School and I am very excited to be teaching Foundation/1. Last year was challenging but I learnt a lot about my strengths and weaknesses and I am ready to hit the ground running in 2021!

I have two children of my own, Isla is in Grade 1 and Cooper is in Grade 3. My children love school and I learn from them every day. Isla loves to dance and draw and Cooper is a keen cricketer.

My favourite book is Possum Magic – thankfully children love repetition because I read it a lot in class. In my spare time I hang out with my children; we go for walks, sing songs in the car and have movie nights every weekend. When I have time to myself, I like to exercise and just sit in peace and quiet watching the birds play in my backyard.

I look forward to sharing my classroom space with the other F/1 class and their teacher Meg. We have created a fun and engaging space for our little learners to explore and develop!
