News from the Principal

Dear Families,

This week we are off on our Year 5-6 Camp to Campaspe located in Kyneton, I'm excited to be attending this camp with our students along with Dave Elvey and Max Alaimo. During these three days Anna Johnson will be released from the Foundation classroom to take on the role of Acting Principal.

This week we are noticing some children showing signs of tiredness and decreased stamina in the classroom. We are 2/3 of the way through Winter and again our children are building stamina with being at school full time after almost two years of Remote Learning. With this in mind, we will be looking at having a whole school Reset Day next week. This will essentially be a "tools down" day in classrooms to give our students a moment to do enjoyable activities that build on friendships, empathy and resilience. Please talk to your children about the importance of looking after our physical health (the food we eat, getting enough sleep and sunshine) to look after our mental health and wellbeing.

Year 4-6 Recorder

This term we are lucky to have Paul Stephens teaching two groups of Year 4-6 students the recorder. Thank you, Paul, for your time to get this program up and running! It has been wonderful to see (and hear!) the excitement from our learners. Hopefully, we will have them perform at a school Assembly next term.

Swimming

Well done to all the teachers, ES and students who have quickly developed swimming routines on a Friday. We know that the bus has been a little late upon return and thank you for your understanding.

School Grants

This year I have written a number of grants to gain extra funds for our school. We have successfully received the Minor Capital Works Grant for new students' toilets. Funds for this total \$343,897. We are also waiting on the outcomes for the Before School Grant to extend our OSHC and the Inclusive Schools Fund Grant for the playground. Fingers crossed!

COVID-19 Update

The major change to schools issued regarding parents/carers who test positive to COVID-19 was issued at the end of Term 2. This came into effect at the beginning of Term 3 – parents/carers who test positive for COVID-19 are able to transport their children to and from school in their own private vehicles. They must travel to and from school only and must wear a face mask at all times and remain in their vehicle. RATests will continue to be delivered to families throughout Term 3 and Term 4. The screening recommendations remain the same – recommended testing is for students displaying symptoms.

Students and staff who are household contacts are no longer required to quarantine. They can return to school as long as they undertake RATests 5 times within their 7 day period and wear face masks indoors if they are aged 8 and above, unless they have a valid exemption. If any household contact returns a positive RATest result during this period, they must isolate for 7 days, not attend school and notify both the school and Department of Health.

Change of Contact details

Please let the Admin Office know as soon as possible if your details such as phone number, address change. In case of emergency the school needs up to date contact details of primary carers and emergency contacts.

Home Reading Program

We highly value our Home Reading Program at Mount Pleasant Primary School. Developing a nightly home reading routine is paramount to children's reading success.

The school sees the most reading growth in students who are committed to a nightly home reading routine. Thank you to families that continue to return readers and assist with a home reading routine.

We strongly encourage all children to read to for at least 5-10 minutes every night at home. Schools provide many activities, learning routines that teach our learners how to read – **the consolidation of this learning happens with an evening reading routine.**

Warm regards,

Kate Robinson

Principal

Term 3 Swimming Lessons for Years 1 to 4

The schools swimming program will run for 5 weeks throughout term 3 at the Ballarat Aquatic Centre commencing on **22nd July 2022 to 19 August 2022**. Students in Years 1 to 4 will complete their program on a Friday each week. Students will leave school at 1:30pm and swim between 2.00pm-2:45pm. They will then return to school, ready for the end of the day. Year 5/6 students will be rescheduled for Term 4 due to staffing shortages at the Aquatics Centre. The cost of swimming lessons is only \$20 due to the Education Department Subsidy. Students need to bring a towel, bathers and goggles in a clearly named swim bag.

Just a reminder that if you are sending yoghurt or other food items that require spoons, to please send a spoon with your child. Unfortunately, we do not have an endless supply of them.

Mt Pleasant Primary School Song

Five days a week, 40 weeks a year

My friends and I we all hang out here

This is our school, where we're learning how

To respect each other and ourselves as well, now

It's a long way to the top

But we're half way there

We're half way there at Mt Pleasant Primary School

When we walk up the hill, sometimes we get tired

But we bounce right back, because we're inspired

By our school values, we're building resilience

And skills we can use to share all our brilliance, yes

It's a long way to the top

But we're half way there

We're half way there at Mt Pleasant Primary School

We're part of a community

So we show responsibility

Being kind and helping out

Taking care of each other is what it's all about, yes

We break for fruit snack

We're on the right track

It's a long way to the top

But we're half way there

We're half way there at Mt Pleasant Primary School

We're half way there at Mt Pleasant Primary School
